

Ideas on how to distribute Great Bible Truths

- Place the books inside of racks in public places such as grocery stores, hospitals, restaurants etc. Be sure to place the name and contact information of your church somewhere in the book. You might want to say: ***For more information contact us at . .***

- Do a city-wide distribution campaign. Gather church leaders from various churches to plan a city-wide distribution of the books. You might want to consider the following options:

- (1)Mass mail a postage-paid card to every home in your city inviting people to send for their “free copy” of ***Great Bible Truths***. Give returning cards to participating churches who are in close proximity of the person requesting the book.

- (2)Target certain areas of your city or township by handing them out on college or high school campuses, or at a county fair.

- (3)Do newspaper advertisements and social media “call-outs” inviting people to call, text, or email for a free copy of ***Great Bible Truths***. Have the participating churches send or personally give copies to the people who requested them.

- (4)Invite a special speaker, evangelist or Christian music group to speak or perform at a central location in your city or area. Distribute the book to everyone who attends. Be sure to include follow-up information in the book.

- Distribute ***Great Bible Truths*** in specific geographical areas around your local church. Begin prayer-walking targeted areas. We encourage you to check out the Reaching America Ministries web site and order copies of ***Handcuffing the Guards*** a prayer-team manual at: www.reachingamerica.net After the area has been prayed over, send out teams of people who will go door to door giving out the book as a gift.

- Get the kids involved by downloading the “BLESS prayer coloring book”. Kids begin praying for 5 neighbors or 5 families who need to know Jesus. At the end of 5 weeks, kids and parents “gift” the book to these people around Christmas time or even Easter.

- Have your entire church read through ***Great Bible Truths*** in 26 weeks. After the 26 weeks, encourage members of your church to distribute 2-5 copies to others. Begin a discipling relationship with friends, family or co-workers using the book and its questions as a guide.
